Alert Notice

Effective as of January 1, 2010

Due to new regulations mandated by
The Federal Trade Commission regarding identity theft:

**All patients must provide at each appointment TWO forms of
identification:**

- Photo ID (Driver's License, or any other photo ID.)
- Current Medical Insurance Card(s)
(If patient cannot provide a current insurance card they will be considered a self pay.)
- Other correspondence showing current address
(such as a utility bill, if the photo ID does not show your current address)

Thank you for your cooperation with the Federal compliance.
Failure to provide proper identification may delay a timely appointment with your provider.
